

Witch's Rock & Ollie's Point

This is a full day surf trip, to Costa Rica's ultimate surf spot (Witch's Rock), Known by the locals as "Peña Bruja", it has been repeatedly praised as a world-class surfer's spot. Those who want to experience the 'gnarliest' breaks come to this surfing haven just off the Playa Naranjo beach in Santa Rosa National Park..

Witch's Rock has been hailed as having one of the greatest breaks that await any surfer of any level. This is yet another reason why Costa Rica is a famed tourist attraction. It is paradise for all who want to experience surfing at its finest.

The waves of Ollie's Point first become popular when the surf destination was shown in a famous surf movie, Endless Summer II. After the movie was released, surfers from all over the world traveled to Costa Rica to surf it's amazing waves. Ollie's Point is a right-hand point break featuring fast and hollow waves that break over a rocky bottom on the beach.
